On behalf of American Modern Select Insurance Company, I would like to present a revision to our Dwelling Programs. At this time we are introducing the 12 Month Vacant program. The territories are being revised to match our competition in the state. We are changing the deductible options to percentages in lieu of dollar amounts to better represent the additional risk the insured is taking on. We are also revising the base rates in all programs. We are revising the insurance score ranges and have enclosed support to reflect this change. We are now offering a limit of \$500,000 for Premises Liability.
